

# UT FORENSIC ANTHROPOLOGY Presentation & Dinner

**MONDAY, APRIL 22 | 5 -9 pm**  
**Tellico Village Yacht Club**

Join us for an Italian Buffet Dinner followed by a presentation by the UT Forensic Center Staff to learn about their facility and outdoor laboratory for the study of human decomposition and crime-solving research.

- The Anthropology Research Facility at UT sits on 2 acres of land using advanced technology to quantify how bodies interact with the environment.
- Their Skeletal Collection is the largest in the US and provides unparalleled opportunities to study variation, pathology, and trauma.
- The Forensic Data Bank contains data on over 4080 cases in the US, Central & S. America, Europe and Asia.

**\$24.75 / person**  
**Cash bar will be available**

**Includes Italian Buffet of**  
**Lasagna, Salad, Bread, Cookies, Tea, Taxes & Tip**

**MAX: 72**  
**Last Day for Registration / Refund is April 12**
